productinformation

tesa® 60022 Spray glue EXTRA STRONG Spray glue EXTRA STRONG, 500ml

tesa® Spray Glue EXTRA STRONG 60022 is an extra strong, film-forming glue for permanently bonding materials such as fabric, plastic, cardboard, foam rubber, insulating materials, vinyl, leather, faux leather and rubber to each other or to metal and wood.

- Minimal spray mist, resistant to dampness and temperatures up to 80°C, short term 100°C
- Suitable for light as well as heavy materials with smooth to rough surfaces
- High bonding range
- Nozzle can be adjusted to desired spray quantity (H: high, M: Medium, L: Low)
- Spray direction can be set to either horizontal or vertical
- Particularly suitable for automotive applications
- Free from silicone

Main Application

tesa® Spray Glue 60022 EXTRA STRONG is typically used for versatile bonding of demanding materials like foam and fabric and is typically used by

- upholsterers
- saddlers
- automotive application

and many other professional applications in industry and craft. Furthermore, tesa® 60022 EXTRA STRONG is suitable for the general use at home.
