TECHNICAL DATA

S1600 SYSTEM INVERTED STRIPING PAINT

DESCRIPTION AND USES

The S1600 System Inverted Aerosol Striping Paint is designed specifically for creating crisp and clean, long-lasting lines. It is ideal for use to mark aisles, lift truck routes, pallet positions, hazardous areas and commercial parking lots.

These products are suitable for interior or exterior use on concrete, grass, gravel or other types of pavement.

The S1600 System complies with USDA FSIS regulatory sanitation performance standards for food establishment facilities.

PACKAGING

20 fl. oz. aerosol container (18 ounce fill weight) 6 aerosols per carton

PRODUCT APPLICATION

SURFACE PREPARATION

ALL SURFACES: Remove loose contaminants by sweeping the surface before application of the coating. Grease, oil and chemical contaminants are best removed by washing the surface with Krud Kutter[®] Original Cleaner Degreaser, commercial detergent or other suitable cleaner. Rinse thoroughly with fresh water and allow to fully dry.

APPLICATION

Use when temperature is above 32°F (0°C) and humidity is below 85% to ensure proper drying. Protect surrounding surfaces from overspray. Overspray can carry a significant distance.

The Inverted Striping sprays are designed for use with the Rust-Oleum Striping Machine item #2395000. Follow machine directions for proper use. The width of the stripe can be varied from 2 to 4 inches wide by adjusting the position of the can holder on the Striping Machine. For best results be sure the Striping Machine is in motion before squeezing the trigger and release the trigger before stopping.

The inverted striping aerosols can also be used with the #2388000 Striping Wand.

PHYSICAL PROPERTIES

		INVERTED STRIPING PAINT
Resin Type		Modified alkyd
Pigment Type		Varies with color
Solvents		Acetone, Xylene, and Toluene
MIR		Maximum value of 0.85
Fill Weight		18 oz.
Practical Coverage		Approximately 150 linear feet at 4" wide (46 meters at 10 cm.)
Dry Times at 70-80°F (21-27°C) and 50% Relative Humidity	Tack-free	<10 minutes
	Handle	30 minutes
	Recoat	Anytime
Shelf Life		5 years
Safety Information		For additional information, see SDS
