

ZINSSER®

Bulls Eye 1-2-3 Primer with Turbo Spray System®

00

ABOUT BULLS EYE 1-2-3 PRIMER WITH TURBO SPRAY SYSTEM®

Innovative Turbo Spray System® delivers the same trusted protection of traditional Bulls Eye 1-2-3 but gets the job done 4 times faster. This whole-house primer-sealer seals porous surfaces like wood, drywall, cured plaster, and even concrete, stucco and brick. Now you can tackle your largest projects faster and easier than every.

Super tall can spray coats the surface in fewer passes for faster project completion

Professional spray equipment results without equipment set up & messy cleanup

Interior and exterior

Can be top-coated in 30 minutes
